VOL. 56 — 45

The Sea Coast Echo

Observations... From Around Town

(BY JAY WHOZIT)

Did you know that quite an honor will be bestowed upon one of our leading citizens when Leo W. Seal, President of the Hancock Bank will be elevated to the Presidency of the Independent Bankers Association of the United States in May 1948 . . . there is much discussion taking place at this time as to whether Bay St. Louis should change its form of government from that of the Mayor and Commissioners to that of the Aldermanic form—the decision in this matter rests first in the hands of the Mayor and Commissioners who have the right under the law to pass an ordinance changing the form of government, or if the qualified voters may sign petitions and if a sufficient number of signers are had it is mandatory that an election be called to decide the issue . . . as a result of last Tuesday's election in Circuit Judge John C. Stennis, of DeKalb, Miss., has been chosen to succeed the late Senator Theodore G. Bilbo, in the United States Congress which is due to reconvene later this month . . . Congressman Bill Colmer was runner-up to Stennis . . . we, too, may be a bit premature, but already there is talk of Christmas in the air, but frankly we don't think it is too early to begin to prepare for that "grandest of days" . . . although no more applications for relief are being accepted by the Red Cross Disaster Relief office, located on Carroll Avenue, active members of the Relief Committee, will continue their investigations and will make every effort to see that every application is individually taken care of . . . the temporary beach roadway is now open to the public and is proving quite handy to those beach residents who had no outlet from their homes . . . citizens of Waveland are planning a huge outdoor fair and "block party" to be held in the vicinity of the Waveland School grounds on November 15-16, the proceeds of which are to be used for the rehabilitation of Town property damaged or destroyed in the recent hurricane . . . anyone wishing to assist on one of the various committees for the above-mentioned fair may contact Mrs. Bea George, general chairman . . . eight years ago Mississippi's first oil well was brought in, now the state has 960 commercial producing wells, with several others showing promise of becoming producers, the state profits quite handsomely from this comparatively new industry, as a result of the oil severance tax law, which was enacted less than four years ago . . . November 9-15 is American Education Week and schools throughout the state are holding daily programs in observance of the occasion . . . in past years folks along the Mississippi Coast section depended largely on their pecan "crop" to take care of their taxes, but this year the September 19th hurricane practically destroyed the entire crop, so those folks will have to look to other sources of revenue for tax money, a situation which has caused quite a few headaches . . . the most beautiful spots in town last week end were the local cemeteries, the occasion being the observance of All-Saints Day a southern tradition, practically unknown in other sections of our country . . . each week end still sees large numbers of sightseers, to our Coast section, eager to witness the damage wrought by the recent storm, too bad it had to take a hurricane to bring these visitors to our shores, when they could have come here under more favorable conditions.

S. J. A. Students Attend Meeting at Biloxi

Approximately thirty high school students of St. Joseph Academy attended the Sectional Meeting on Tuesday of the Third Regional Council of the Archconfraternity of Christian Doctrine held in Biloxi.

The meeting opened with a prayer and short talk by Most Rev. Matthew F. Brady, Bishop of Manchester.

Talks on Systematic Redistribution of Catholic Literature by Sister Miguel, R. S. M.; "Catholic High School Helpers"; Miss Virginia Gaynard; "Our Parish Confraternity, How It May Serve the Parish"; Miss Miriam Marks, were very interesting and gave those attending, food for thought. Sister L. Raphael and Sister Albertine accompanied the girls to Biloxi, returning the same evening.

P.T.A. Has a Membership Of 329

Mrs. C. C. Stone, membership chairman, reports that the Central School P.T.A. has 329 paid in memberships and this represents 45.9 per cent of the families represented in the school plus other interested friends and civic minded citizens. Ten of the 12 class rooms, Mrs. Stone says, show 100 percent membership. This entitles the organization's name to be on the Honor Roll.

Ordinance Adopted By City Officials To Transfer Gas Lines

Will Convey Line From Gulfport to Bay St. Louis To United Gas Company—Contract For Delivery of Gas Will Be Amended, And Gas Will Be Delivered To Metering Point in Bay St. Louis.

In this issue of the Echo, there is published an ordinance of the Mayor and Commission Council of the City of Bay St. Louis declaring the intention of the City of Bay St. Louis of conveying and selling its gas transmission line extending from a point north of the City of Gulfport, through Harrison County and across the Bay of St. Louis, and into the limits of the City of Bay St. Louis to the United Gas Pipe Line for the sum of \$1.00 and the further consideration of the amendment of the Gas Sales Contract entered into between the City of Bay St. Louis and the United Gas Pipe Line Company, so as to change the point of delivery of gas from a point North of Gulfport to a point within the limits of the City of Bay St. Louis.

There is also published in this issue a notice to the public of said transfer and sale, and that said conveyance will be executed and said contract amended unless a petition is filed with the Mayor and Commission Council objecting to said transfer of the pipe line and the amendment of the contract, bearing the signatures of 20 per cent of the qualified electors of the City of Bay St. Louis.

In order to install natural gas in the City of Bay St. Louis, it was necessary for the Mayor and Commission Council to build and maintain approximately 20 miles of pipe line from the City of Gulfport, to Bay St. Louis.

This pipe line had to come across the City of St. Louis, and it has been a source of trouble and cost to the City to maintain it. We are informed that the loss of gas to the City over this line was tremendous, and finally the Mayor and Commission Council negotiated with the United Gas Pipe Line Company to take over this pipe line and to charge the City for its gas at a metering point in the City of Bay St. Louis instead of at the metering point of the company at Gulfport.

Under the present conditions the gas system has suffered losses, particularly in the line across the Bay. If the transfer to the United Gas Pipe Line is consummated these losses will not be sustained by the City as the charge for the gas delivered to the City will be metered on this side of the Bay.

It is to be hoped that no petition will be filed to prevent the transfer of this part of the gas system to the Gas Company.

Immaculate Conception Society Meets

On Sunday, November 2nd members of the Italian Immaculate Conception Society held their regular monthly meeting at the Knights of Columbus Hall.

The election of officers for the ensuing year took place, with the following gentlemen assuming their respective duties.

President—Joseph Loiacano.
Vice President—Frank Chiniche.
Secretary—Manuel Maurigi.
Treasurer—Steve Benigno.

Grand Marshal—Joseph Cainishe.

Plans were formulated for a year of interesting activities.

Completes Contract With REA

The Ramond Electric Supply Company, Earl Ramond, owner has completed a contract with the Coast Electric Power Association for 150 miles of rural electrification in Hancock, Harrison and Pearl River counties. This project involved the expenditure of \$125,000.

World Community Day November 7

Friday, November 7th is World Community Day and a service will be held at Christ Episcopal Church at 3:30 P. M.

The program will be given by the ladies from the Methodist, Baptist and Episcopal churches. It is hoped that there will be a large number present. This is the one day of the year that the whole Christian World is centered on prayer.

Basketball League To Be Formed

There will be a meeting next Tuesday at 6 o'clock p. m. at the Court House for the purpose of organizing a basketball league. If you are interested in entering a team or playing with a team please be present.

REGULAR MEETING OF K. OF C. HELD MONDAY NIGHT

Regular meeting of Pere Le Duc Council No. 1522 was held at the K. of C. Hall, Main street, Monday evening, November 3, 1947. Plans were made for holding Memorial services for departed members and the date set for Wednesday, November 26, 1947.

Peter Benvenutti, chairman of the Activities Committee, stated that a social dance for members and their families will take place at the K. C. Home, the tentative date being set for Saturday evening, Nov. 29.

Members of Pere Le Duc Council will receive Holy Communion in a body at Kiln, Miss., this Sunday, November 9th, upon invitation from Rev. Father Francis Toner, M. S. S. T., Pastor at Kiln, and lecturer of the local council.

RED CROSS DISASTER RELIEF

Every effort is being made to speed up the disaster rehabilitation program in Hancock County, according to Charles B. Cooper, Director of the local office located at 131 Carroll Avenue. Inasmuch as Hancock County was one of the most severely damaged sections of the Gulf Coast, requiring more repair and rebuilding of homes, it will naturally need more time to complete the relief operation, he added.

As Red Cross operations are completed in the lesser damaged counties, additional Red Cross personnel is being moved into Hancock County. Four new people have moved in during the past week and more are expected.

Although November 5th was the last day for receiving new applications for Red Cross Storm Aid, Mr. Cooper was anxious to assure everyone that this does not mean that the Red Cross Relief is closing up at that time. Every family who has registered with Red Cross can be assured that they will receive full consideration according to established Red Cross Disaster policies. The program is just beginning to hit its full stride, he said.

PTA NEWS

The election for 1948 AAA Committee will be held Saturday, November 15, 1947. Community committeemen and delegates to attend a county convention to elect a three man county committee will be selected by these elections.

The county is divided into three groups of communities. The polling places and time for these three groups of communities are as follows:

Flat Top, Aaron Academy, Flat Top School 8:00 a. m. to 4:00 p. m. Lee County-Catahoula-Kiln, Catahoula School, 8:00 a. m. to 4:00 p. m. Dedeaux-Sellers, A. E. (Ford) Smith's house, 8:00 a. m. to 4:00 p. m.

Farmers are asked to vote at the polling place in which their community is listed. Those who do not desire to vote in their respective community can vote at the County Agent's office in Bay St. Louis from 8:00 a. m. to 12 noon.

Farmers who carried out a practice in 1947 or have indicated that they are going to carry out one in 1948 by getting a prior approval form are eligible to vote in this election.

Also share tenants working farms that are participating in the program are eligible to vote.

Committeemen perform responsible duties in connection with the operation of the AAA program here in Hancock County. Every eligible farmer is urged to vote in this election. Letters regarding this election are being mailed to all farmers who are eligible to vote.

Hancock County Chancery Court Convened Monday

The Chancery Court of Hancock County convened on Monday morning, with the Honorable D. M. Russell, Sr. Chancellor of the Eighth Chancery Court District presiding.

Since the last term of Chancery Court in May there were 22 divorce proceedings filed and the court disposed of many of these, together with many other non-contested land cases.

There were no contested cases tried during the term which ended to-day.

The Bay High Tigers after losing

OFFICIALS MEET WITH FEDERAL WORKS ADMINISTRATION

Major General Phillip Fleming, Federal Works Administrator, and Mr. George Field, Commissioner of the Bureau of Community Facilities, visited Bay St. Louis and Waveland on Wednesday morning prior to their meeting with the municipal authorities of the Gulf Coast at the Edgewater Gulf Hotel on Wednesday afternoon.

General Fleming and Mr. Field had flown over this area on their previous visit to the Gulf Coast following the hurricane of September 19th, and did not have an opportunity of making a personal inspection.

At the meeting on Wednesday afternoon General Fleming heard a report of the rehabilitation progress that was being made, and it showed that much progress had been made during the six weeks that work had been going on. Much aid was received through the equipment that was secured from the Federal Works Agency and the War Assets Administration, and from the man power hired through the United States Engineers at Mobile, through which agency the allotment of \$100,000.00 made by President Truman from his emergency fund was dispensed. This allotment was made at the recommendation of General Fleming following his first visit to the Coast.

According to General Fleming it will be impossible for the President to make another allotment from this fund, as the original amount given, nearly depleted the amount that was appropriated by Congress for the Emergency Fund, to be used by the President, and that any future aid that was to be given would have to come through Congress. He further stated that the facilities financial and otherwise that were presently available to the Coast Section to meet a situation similar to the one which confronted us at this time were wholly inadequate, and suggested that there should be much thought and consideration given to some legislation that would establish a permanent disaster relief.

In attendance at the meeting at Edgewater Gulf Hotel were Mayor G. Y. Blaize, Commissioner H. Grady Perkins and City Attorney Lucien M. Gex, representing Bay St. Louis, Garfield Ladner, Mayor of Waveland, and Supervisor Johnson S. Shaw and County Engineer J. R. Rollins, representing Hancock County.

Hancock County Chamber of Commerce To Meet Next Thursday November 13th.

Notices have been mailed to the members of the Chamber of Commerce for a meeting to be held on Thursday night, November 6th, however, this date was in conflict with a meeting of the St. Stanislaus Sidelines Club meeting called for the same night, President Howard W. LeTissier of the Chamber of Commerce called the meeting off for the 6th, and notices have been mailed setting the meeting of the Chamber of Commerce for Thursday November 13th, at the Hancock County Courthouse.

This will be the first general meeting of the Chamber of Commerce since the inauguration of the new officers and Mr. LeTissier is hopeful that a large delegation of the membership will be on hand to lend their effort, and to help plan a comprehensive program for the coming year.

"Of all times that we are in urgent need of a well organized program is now," and with the united efforts of all the business men of the County much can be done, and I sincerely hope that I will have their help which is very much needed to bring us back to the position we enjoyed heretofore," Mr. LeTissier stated.

Farmers are asked to vote at the polling place in which their community is listed. Those who do not desire to vote in their respective community can vote at the County Agent's office in Bay St. Louis from 8:00 a. m. to 12 noon.

Farmers who carried out a practice in 1947 or have indicated that they are going to carry out one in 1948 by getting a prior approval form are eligible to vote in this election.

Also share tenants working farms that are participating in the program are eligible to vote.

Committeemen perform responsible duties in connection with the operation of the AAA program here in Hancock County. Every eligible farmer is urged to vote in this election. Letters regarding this election are being mailed to all farmers who are eligible to vote.

Bay Hi Tigers Meet G. C. M. A. Here

The Bay High Tigers after losing

the game with the exception of tackle Bruce Bourgeois, who has been hospitalized with an injured leg.

On Friday night, Nov. 14, the Tigers meet Long Beach here in their homecoming game.

The little hostess cut her cake in a real grown up manner and this was served with other party refreshments. There were balloons and fun for all the children.

Nita's guest list included her neighborhood playmates, Michael Vernon, Everett Kergosien, Paty and Lynne Erwin, of Pass Christian,

Edmund Fahey, Nancy Gray, Janet Lusk and Gary Burrow.

NOVEMBER MEETING OF S. J. A. PARENTS CLUB HELD NOV. 4

The November meeting of the St. Joseph Academy Parents Club was opened with a prayer by Mother Blanche on Tuesday, November 4th in the den. Mrs. O. Delph presided over a group of twenty-five members, Mother Blanche and Sister Cornelia.

Plans have been completed for the annual Spaghetti Supper on Wednesday, November 19th which is the project for November. Mrs. J. W. Crawford volunteered for the chairmanship of the supper, the committee will be notified.

The door prize was divided between the Club Treasury and Mrs. A. L. Enterline. The attendance prize was merited by the third grade under Mrs. A. C. Vix.

Mother Blanche explained the need of a Repair Fund, stating that there is approximately \$20,000 worth of repairs necessary, as the result of the hosing.

The meeting was closed with a prayer by Mother Blanche.

Refreshments were served by Mesdames Luke Saucier and Leo Ford. Co-hostesses for December will be Mesdames John Damborino and W. L. Reeder.

Adams-Lorraine Flower Shop to Erect New Building on Highway

The Adams-Lorraine Flower Shop of Pass Christian and Gulfport, who have served the people of Bay St. Louis for a number of years as their Florist will erect a new building on Highway 90 on the former Rabo-terrace property, next to Saint Augustine Seminary, where they will operate a florist shop to take care of their Bay St. Louis clientele.

There has been a need for such a business in Bay St. Louis and we are happy to make this announcement and to welcome Bill and Lorraine Adams and their new business to Bay St. Louis. They are the owners to much wishful thinking.

Announces Completion Of
\$381,000 Toll Construction
Program

Gulfport, Mississippi—Expanded long distance telephone facilities to New Orleans as well as to the East were at the service of Gulf Coast residents today as the Southern Bell Telephone and Telegraph Company announced completion of a \$381,000 toll construction program that not only wiped out the last effect of the hurricane but added new channels of communication along the important coastal long distance route.

Skilled construction forces of the Telephone Company have been working in the area since the storm, first restoring facilities necessary to provide essential service and then constructing the permanent plant required in the company's plan for improvement and expansion of long distance service for the area, T. N. Harris, State Manager of Southern Bell, said today.

The hurricane blew a 38 mile gap in Southern Bell's important New Orleans-Montgomery trunk lines, as well as in auxiliary routes, the overall damage to the company's facilities being the worst suffered in 25 years.

Quantities of materials and large numbers of telephone construction men were rushed to the scene, and a tremendous restoration job that normally would take several months to complete was finished in less than

Walter Scrimshaw, M. Austin, J. V. Hodges, and Chas. Rivet are among those beautifying their grounds after the damage caused by the recent hurricane.

Mr. Herman Price went to Bogue Chitto, Miss., to attend the funeral service of his sister, Mrs. Emma Pinegar, of Orlando, Florida, and whose remains were brought to Bogue Chitto for burial.

Mrs. Ada Edel visited Mayor and Mrs. Garfield Ladner and family over the week end.

poses, the road districts, the school districts and all other taxing districts, are necessary in order to raise the funds required to meet the expenses of the county, and of the said taxing districts far said fiscal year.

It is, therefore, Ordered, and Adjudged, by the Board of Supervisors of Hancock County, that the following ad valorem tax rates, or levies, be and the same are hereby imposed and levied for the fiscal year 1947-1948 upon the assessed value of all taxable property in Hancock County, that the following ad valorem tax rates, or levies, be and the same are hereby imposed and levied for the fiscal year 1947-1948 upon the assessed value of all taxable property in the school districts named below for bonds, interest and bond obligations as follows:

Leetown School District .300 Mills

Gulfview School District .800 Mills

Clermont Harbor School

District .12.00 Mills

Section 5. It is further ordered by this Board of Supervisors that all ad valorem taxes hereby levied and imposed are fixed within the limits as stated in Sections 9878 to 9889 both inclusive of Mississippi Code 1942; the general county taxes being governed by section 9879 as amended by Chapter 280, Laws of 1946; road taxes by Section 9880; and the eschat taxes by Sections 9881, 9885, and 9888; and the levies shall have precedence in the order as follows: Section 9880, and in the event the total tax levy for any school district shall exceed the limit fixed by law, the county-wide levy shall have precedence over any levy for a district as stated in section 9881, Code 1942.

Section 6. It is further ordered that the above rates, or levies in mills, or a decimal fraction thereof, shall be applied to each dollar of assessor value as is shown upon the 1947 assessment rolls of said county, as of January 1, 1947 (except property subject to state taxes only), and except the exempt assessed value of homes to the extent exempted by "The Homestead Exemption Act of 1946," the said rates, expressed in mills or a decimal fraction of a mill, being levied and imposed upon each dollar of assessed valuation appearing upon the assessment rolls of said county as aforesaid, for the following funds or purposes, and when the same is collected, the money shall be credited to the respective funds as provided by law.

Section 1. There is hereby levied upon each dollar of assessed valuation in the County (except values subject to state tax only) for County-wide purposes as follows:

General County Fund 10.00 Mills

For General County Purposes (current expense and maintenance) as authorized by Chapter 280, Laws of 1946. The levy of ten mills for general county purposes is for the following items: Office and administration, Judicial and Law Enforcement, Health and Sanitation, Charity and Public Welfare, Farm and Home Service, Operation and Maintenance of Buildings and grounds, and Sundries, as shown by the budget heretofore adopted by the Board; in accord with the Regulations of the State Auditing Department.

Road and Bridge Fund 7.00 Mills

For the maintenance and construction of roads and bridges. Authorized by Section 9880 Code of 1942.

Health and Sanitary Fund 2.00 Mills

For treatment of indigent sick and public health, as authorized by Section 2996, Code of 1942.

Courthouse and Jail Fund 1.00 Mill

For the maintenance, repair and upkeep of the Court-house, Jail and premises, as authorized by Section 2909, Code of 1942.

Judicial Fund 2.00 Mills

For the purpose of paying expenses of the Court, as authorized by Section 2910, Code of 1942.

Bridge Fund 6.00 Mills

For the Maintenance, operation and construction of bridges, as authorized by Section 8360, Code of 1942.

Pearl River Jr. College Fund 1.00 Mill

For the maintenance and support of the Junior College at Poplarville, Miss., as authorized by Section 6475, Code of 1942.

Advertising Fund 1.00 Mill

For the purpose of advertising the resources of the County, as authorized by Section 2982, Code of 1942.

Pauper's Fund 1.50 Mills

For the support of the poor and paupers, as authorized by Section 7352, Code of 1942.

Seayall Fund 3.00 Mills

For the purpose of constructing, maintaining, and repairing seawall, sloping beach or other protection and to maintain and operate dredge boat; together with all the necessary machinery, tools and implements for the operation thereof and to employ the necessary engineers and laborers to operate the same, as authorized by Section 8512, Code of 1942.

School Fund 10.00 Mills

For the maintenance of schools and incidental expenses there-of, except upon the assessed valuation of property in municipal separate school districts, as authorized by Section 6518, Code of 1942, as amended by Chapter 230, Laws of 1946.

Section 2. There is hereby levied upon each dollar of assessed valuation of taxable property in the respective school districts (rural areas consolidated, or special consolidated) for the maintenance of schools and all incidental expenses thereof, as authorized by Section 9881, Code of 1942, as follows:

Kilm Con. School Fund .10.00 Mills

Sellers Con. School Fund .10.00 Mills

Dedeaux Con. School Fund .10.00 Mills

Gulfview Con. School Fund .7.00 Mills

Catahoula Con. School Fund 8.00 Mills

Logtown Con. School Fund 5.00 Mills

Clermont Harbor School Fund 5.00 Mills

Aaron Academy School Fund 10.00 Mills

Leetown School Fund 10.00 Mills

Cesar School Fund 10.00 Mills

Flat Top School Fund 5.00 Mills

Salem School Fund 10.00 Mills

Section 3 (a). Under the authority of Section 9888, Code of 1942, the levy for maintenance and current expense, for the school districts hereinafter named, are hereby divided into two funds; the fund produced by the levy imposed in Section 2, to be for current expenses and maintenance of school in respective districts, and the other fund provided by the levy imposed in the Section 2, to be for the construction and repair of school buildings in the respective districts, and there is hereby levied and imposed upon each dollar of assessed valuation of taxable property in the respective school districts for said building and repair fund, as follows:

Logtown Con. School Building Fund 5.00 Mills

It is further ordered that all monies derived from the levies herein imposed be paid into the appropriate building and repair funds and expended for such purposes as the manner provided for by law.

Section 3. There is hereby levied upon each dollar of assessed val-

uation of taxable property in the county (except property subject to state taxes only) for bonds, interest, sinking fund and other bond purposes, as follows:

Road and Bridge Bond

5.00 Mills

Loan Warrant Bond Fund 3.00 Mills

School Bond Fund 1.00 Mill

Section 4. There is hereby levied and imposed upon each dollar of assessed valuation of taxable property in the school districts named below for bonds, interest and bond obligations as follows:

Leetown School District .300 Mills

Gulfview School District .800 Mills

Clermont Harbor School

District .12.00 Mills

Section 5. It is further ordered by this Board of Supervisors that all ad valorem taxes hereby levied and imposed are fixed within the limits as stated in Sections 9878 to 9889 both inclusive of Mississippi Code 1942; the general county taxes being governed by section 9879 as amended by Chapter 280, Laws of 1946; road taxes by Section 9880; and the eschat taxes by Sections 9881, 9885, and 9888; and the levies shall have precedence in the order as follows: Section 9880, and in the event the total tax levy for any school district shall exceed the limit fixed by law, the county-wide levy shall have precedence over any levy for a district as stated in section 9881, Code 1942.

Section 6. It is further ordered that the above rates, or levies in mills, or a decimal fraction thereof, shall be applied to each dollar of assessor value as is shown upon the 1947 assessment rolls of said county, as of January 1, 1947 (except property subject to state taxes only), and except the exempt assessed value of homes to the extent exempted by "The Homestead Exemption Act of 1946," the said rates, expressed in mills or a decimal fraction of a mill, being levied and imposed upon each dollar of assessed valuation appearing upon the assessment rolls of said county as aforesaid, for the following funds or purposes, and when the same is collected, the money shall be credited to the respective funds as provided by law.

Section 1. There is hereby levied upon each dollar of assessed valuation in the County (except values subject to state tax only) for County-wide purposes as follows:

General County Fund 10.00 Mills

For General County Purposes (current expense and maintenance) as authorized by Chapter 280, Laws of 1946. The levy of ten mills for general county purposes is for the following items: Office and administration, Judicial and Law Enforcement, Health and Sanitation, Charity and Public Welfare, Farm and Home Service, Operation and Maintenance of Buildings and grounds, and Sundries, as shown by the budget heretofore adopted by the Board; in accord with the Regulations of the State Auditing Department.

Road and Bridge Fund 7.00 Mills

For the maintenance and construction of roads and bridges. Authorized by Section 9880 Code of 1942.

Health and Sanitary Fund 2.00 Mills

For treatment of indigent sick and public health, as authorized by Section 2996, Code of 1942.

Courthouse and Jail Fund 1.00 Mill

For the maintenance, repair and upkeep of the Court-house, Jail and premises, as authorized by Section 2909, Code of 1942.

Judicial Fund 2.00 Mills

For the purpose of paying expenses of the Court, as authorized by Section 2910, Code of 1942.

Bridge Fund 6.00 Mills

For the Maintenance, operation and construction of bridges, as authorized by Section 8360, Code of 1942.

Pearl River Jr. College Fund 1.00 Mill

For the maintenance and support of the Junior College at Poplarville, Miss., as authorized by Section 6475, Code of 1942.

Advertising Fund 1.00 Mill

For the purpose of advertising the resources of the County, as authorized by Section 2982, Code of 1942.

Pauper's Fund 1.50 Mills

For the support of the poor and paupers, as authorized by Section 7352, Code of 1942.

Seayall Fund 3.00 Mills

For the purpose of constructing,

maintaining, and re-

pairing seawall, sloping beach

or other protection and to

maintain and operate dredge

boat; together with all the

necessary machinery, tools

and implements for the op-

eration thereof and to em-

ploy the necessary engineers

and laborers to operate the

same, as authorized by Section 8512, Code of 1942.

School Fund 10.00 Mills

For the maintenance of schools

and incidental expenses there-

of, except upon the assessed

valuation of property in mu-

nicipal separate school dis-

tricts, as authorized by Sec-

tion 6518, Code of 1942, as ame-

nded by Chapter 230, Laws of

1946.

PUBLIC NOTICE

TO THE PUBLIC AND THE
QUALIFIED VOTERS OF THE
CITY OF BAY ST. LOUIS,
MISSISSIPPI

Notice is hereby given by the City of Bay St. Louis, Mississippi, that pursuant to Ordinance No. 110 duly adopted by the Board of Mayor and Commissioners on the 3rd day of November, 1947, of the intention of said municipality to sell its natural gas transmission line extending from a point north of the city limits of the City of Gulfport, Mississippi, through Harrison County across the Bay of St. Louis and into the City limits of the City of Bay St. Louis, Mississippi to United Gas Pipe Line Company for the cash consideration of the sum of One Dollar (\$1.00) and the further consideration on the part of United Gas Pipe Line Company of amending the Gas Sales Contract entered into by and between the City of Bay St. Louis, Mississippi and United Gas Pipe Line Company dated June 16, 1941, as amended, so as to provide for a change in the point of delivery of gas to a point within the city limits of the municipality, and other amendments, all as hereinafter more fully set out.

That the conveyance to be executed shall be substantially in the following form, to-wit:

"STATE OF MISSISSIPPI
COUNTY OF HANCOCK

For and in consideration of the sum of One Dollar (\$1.00), cash in hand this day paid by United Gas Pipe Line Company the receipt of which is hereby acknowledged, and for the further good and valuable consideration of the amendment by United Gas Pipe Line Company of that certain Gas Sales Contract entered into between the grantor and grantee under date of June 16, 1941, as heretofore amended, in the manner and form as provided in Ordinance No. 110 duly adopted by the Mayor and Commissioners of the City of Bay St. Louis, Mississippi, on the 3rd day of November, 1947, and other ordinances, resolutions, proceedings and acts had and done in connection therewith, as shown by the Minute Book in the office of the City Clerk of the City of Bay St. Louis, Mississippi; the receipt of which amendment duly executed by United Gas Pipe Line Company, acting by and through its duly authorized officers, is hereby acknowledged, and said amendment having likewise been executed by the City of Bay St. Louis, Mississippi, acting by and through its duly authorized Mayor and Clerk, and a duplicate original of said amendment having been delivered to the grantee herein, the City of Bay St. Louis, Mississippi, acting by and through its duly authorized Mayor and Clerk, respectively, of the City of Bay St. Louis, Mississippi, and that such officers then signed, affixed the corporate seal to and delivered the foregoing instrument of writing on the day and year therein set forth, and on behalf of and as the act and deed of, the City of Bay St. Louis, Mississippi, all of which they were first duly authorized to do.

A certain 4 1/4 inch O. D. pipe line now being used by the City of Bay St. Louis, Mississippi, as a natural gas transmission pipe line, the location and course of which is more accurately described as follows:

The 4 1/4 inch O. D. pipe line herein described begins in the Southeast Quarter of the Northeast Quarter of Section 21, Township 7 South, Range 11 West, Harrison County, Mississippi, at a point in a county road right of way and on the North side of said road adjacent to the South fence line of United Gas Pipe Line Company's Gulfport City Gate measuring Station.

The pipe line continues in a westerly direction along North side of said road, crossing county road until same intersects U. S. Highway No. 49 near the center of Section 21, Township 7 South, Range 11 West.

After having crossed under U. S. Highway No. 49 pavement, the pipe line turns in a southerly direction and continues along West side of and in right of way of U. S. Highway No. 49 to a point where same intersects 28th Street Road in the City of Gulfport. Thence in a westerly direction along 28th Street Road to where said road extended intersects Old Pass Christian Road near North and South center line of Section 33, Township 7 South, Range 12 West, Harrison County. Thence in a Southwesterly direction on East side of pavement and in right of way of Old Pass Christian Road to town of Cuevas. Crossing Bayou Portage on East side of bridge, the line continues in a southerly direction from Cuevas along same above named road, but known as Mengen Avenue from Cuevas to Pass Christian.

At some point in the North half of Section 17, Township 8 South, Range 12 West, the pipe line crosses under pavement on Mengen Avenue from East to West side and continues along West side of Mengen Avenue to the intersection with North Street, Pass Christian, Mississippi in the West half of the Northwest Quarter of Section 20, Township 8 South, Range 12 West. Thence in a southwesterly direction along the South side and North Street to intersection with Cedar Street in West Pass Christian. At the point the pipe turns in a Southwesterly direction along the East side of Cedar Street to the intersection with Old Pass Christian-Bay St. Louis Road. Thence in a Southwesterly and Westerly direction along the South side of said Old Pass Christian-Bay St. Louis Road to the intersection with U. S. Highway No. 90.

The line continues along the South side of and in U. S. Highway No. 90 in a westerly direction to the East water's edge of St. Louis Bay. The pipe is laid on the bottom of St. Louis Bay between the U. S. Highway No. 90 bridge and the L. & N. Railroad Bridge. At the West water's edge of the bay, the line crosses over the seawall and under Front Street in Bay St. Louis to enter Ulman Avenue.

Thence along South side of Ulman Avenue a distance of approximately 1875 feet to where pipe line enters City of Bay St. Louis municipal property, and ends with the downstream face of the 4 inch block plug valve approximately two feet inside the property line. This valve is located in the rear of the present City of Bay St. Louis Natural Gas Sales Measuring Station located in the Northwest corner of Lot No. 328, being in Section 29, Township 8 South, Range 13 West, Hancock County, Mississippi.

The above 4 1/4 inch O. D. line is

approximately 109,560 feet or 20.75 miles in length including the bay crossing.

It is the intention of the grantor herein to sell and convey, and for the considerations above recited, there is hereby sold, conveyed and delivered unto the grantee herein the said 4 1/4 inch O. D. pipe line as above described and located, together with all taps thereon through and including the down stream side or face of the first cut-off valve adjacent to the pipe line and together with all main line block, gates or valves, all magnesium anodes and other devices and equipment used for cathodic protection of said pipe line and all other pipe line facilities used in connection with, or useful to the operation of, said natural gas transmission pipe line as now located and being operated by the City of Bay St. Louis, Mississippi.

TO HAVE AND TO HOLD the natural gas transmission pipe line and facilities above described unto the said grantee herein, its successors and assigns, forever, to defend, all and singular the property and facilities sold and conveyed hereby unto the grantee herein, its successors and assigns, against every person whomsoever lawfully claiming to claim the same or any part thereof.

This instrument is executed pursuant to the authority of, and is subject to the terms and conditions contained in, Ordinance No. 110, duly and legally adopted by the Mayor and Commissioners of the City of Bay St. Louis, Mississippi, on the 3rd day of November, 1947, and all other ordinances, resolutions, proceedings and acts had and done in connection therewith all as shown by record in the Minute Book in the office of the City Clerk of the City of Bay St. Louis, Mississippi.

Witness the execution hereof by the City of Bay St. Louis, Mississippi, acting by and through its duly authorized Mayor and Clerk and with its seal duly impressed hereon, this the day of November, 1947.

CITY OF BAY ST. LOUIS, MISSISSIPPI

By _____
Mayor of the City of Bay St. Louis, Mississippi.

ATTEST:

Clerk of the City of Bay St. Louis, Mississippi.

STATE OF MISSISSIPPI
COUNTY OF HANCOCK

Personally came and appeared before me a Notary Public in and for the state and county aforesaid, the within named,

and (ii), who each acknowledged to me that they are Mayor and Clerk, respectively, of the City of Bay St. Louis, Mississippi, and that as such officers they signed, affixed the corporate seal to and delivered the foregoing instrument of writing on the day and year therein set forth on behalf of and as the act and deed of, the City of Bay St. Louis, Mississippi, all of which they were first duly authorized to do.

Given under my hand and official seal this the day of 1947.

Notary Public

That the amendment to the Gas Sales Contract shall be in substantially the following form, to-wit:

"THIS AGREEMENT, made and entered into this day of 1947, by and between UNITED GAS PIPE LINE COMPANY, a Delaware corporation, hereinafter called "Seller," and CITY OF BAY ST. LOUIS, MISSISSIPPI, a municipal corporation of the State of Mississippi, hereinafter called "Buyer".

WITNESSETH:

Whereas, Seller and Buyer entered into a contract, dated June 16, 1941, as heretofore amended, relating to the sale and purchase of gas for resale and distribution through Buyer's distribution system in the City of Bay St. Louis, Mississippi, and for resale and distribution directly from Buyer's pipe line referred to in said contract, and

Whereas, Seller has agreed to convey to Buyer said above mentioned pipe line extending from the City of Bay St. Louis in Hancock County, Mississippi, to a point on Seller's facilities in the vicinity of Gulfport, in Harrison County, Mississippi; and as a consequence thereof, it is necessary that said contract of June 16, 1941, as heretofore amended, be further amended in the particulars and to the extent hereinafter set forth.

Now, Therefore, in consideration of the covenants and agreements hereinafter set forth to be kept and performed by the parties hereto, it is agreed by and between said parties as follows:

From and after the effective date, hereof, as set forth in Article 4 of this amendment, Article 1 of said contract shall be and is hereby amended so that said Article 1 shall thereafter, in its entirety, read as follows:

Subject to the terms and conditions hereof, Seller agrees to sell and deliver or cause to be delivered to Buyer, and Buyer agrees to purchase and receive from Seller and pay Seller for (a) all natural gas necessary to meet Buyer's requirements of gas for resale and distribution through its said distribution system, and any extensions thereto, in the City of Bay St. Louis, Mississippi and its adjoining environs, (b) all gas consumed by Buyer in connection with the operation of said distribution system, and (c) all gas lost and unaccounted for after delivery to Buyer hereunder.

From and after the effective date, hereof, as set forth in Article 4 of this amendment, Article II of said contract shall be and is hereby amended so that said Article II shall thereafter, in its entirety read as follows:

The gas to be sold and delivered by Seller to Buyer hereunder shall be delivered to Buyer at the outlet side of the metering and regulating station to be installed by Seller, at a point, to be mutually agreed upon, on a plot of ground owned by Buyer, being 170 feet by 216 feet, and consisting of lots 26, 27, 326 and part of 35, lying South of Ulman Avenue, North of Carroll Avenue, and West of closed Toume Street, all being in Section 29, Township 8 South, Range 13 West, Hancock County, Mississippi.

Buyer agrees to furnish to Seller, free of charge, the use of the pre-

misses to be occupied by Seller's said metering and regulating station and any portion of Seller's far line, from its main line to said metering and regulating station, which may be located on Buyer's premises, with the right of ingress and egress at all times for the purpose of installation, operation, repair and removal of said metering and regulating station or tap line."

From and after the effective date hereof, as set forth in Article 4 of this amendment Article III of said contract shall be and is hereby amended so that said Article III shall thereafter, in its entirety, read as follows:

The gas to be sold and delivered by Seller to Buyer hereunder shall be delivered at said point of delivery at such pressures (not to exceed sixty (60) pounds per square inch gauge pressure) as may be necessary to meet Buyer's requirements and as can be maintained without more than one stage of regulation by Seller and Buyer agrees to receive and take gas hereunder at the pressures in this Article III specified and thereafter to regulate and control said gas for delivery to its consumers."

Seller shall promptly file a copy of this agreement as a part of Federal Power Commission Rate Schedule No. 47, with the Federal Power Commission, under and in accordance with the Provisional Rules of Practice and Regulations under the Natural Gas Act. Seller has heretofore applied to the Federal Power Commission for a Certificate of Public Convenience and Necessity to acquire and operate said above mentioned pipe line which Buyer has agreed to convey to Seller.

This agreement shall not become effective between the parties hereto unless (i) the same is permitted to become effective, as a part of Federal Power Commission Rate Schedule No. 47, by action or inaction of the Federal Power Commission, and (ii) Seller has obtained appropriate Certificate of Public Convenience and Necessity from the Federal Power Commission to acquire and operate

Buyer's above mentioned pipe line, and (iii) Buyer executes and delivers to Seller proper conveyance of Buyer's above mentioned pipe line, conveying good and valid title thereto, free and clear of all liens and encumbrances, together with all rights of way, easements, franchises and permits, pertaining to said pipe line, which are necessary, in Seller's opinion, for the operation of said pipe line. In the event all of the above mentioned conditions (i), (ii) and (iii) shall have been fulfilled, this agreement shall become effective between the parties hereto on the date of which delivery of gas was first made by Seller to Buyer hereunder at the delivery point set forth in Article 2, hereof, which date shall not be later than thirty (30) days after all of said conditions (i), (ii) and (iii) shall have been fulfilled.

Given under my hand and official seal this the day of 1947.

Notary Public

Except as herein specifically changed and amended, said contract of June 16, 1941, as heretofore amended, shall remain the same and continue in full force and effect as written.

Given under my hand and official seal this the day of 1947.

Notary Public

In WITNESS WHEREOF, the parties hereto have caused this agreement to be executed in duplicate originals by their respective corporate officers thereto duly authorized and their respective corporate seals to be hereunto fixed on the date and year first hereinabove written.

ATTEST:

City Clerk

The reasons for said sale, and the benefits that will accrue to the municipality by reason of said sale and by reason of the amendment to the Gas Sales Contract are set out at length in said Ordinance No. 110 adopted on the 3rd day of November, 1947, by the Board of Mayor and Commissioners of the City of Bay St. Louis, Mississippi.

The qualified voters of said municipality and the public are hereby notified that the property described in the proposed conveyance, above set out, will be sold, that said conveyance will be executed and said Gas Sales Contract, as amended will be amended as hereinabove set out on or after the 10th day of December, 1947, unless within ten (10) days after the last publication of this notice a petition signed by not less than twenty percent of the qualified voters of the City of Bay St. Louis, Mississippi be filed, as provided by law, objecting and protesting against such sale and disposition. This notice will be published in the Sea Coast Echo, a newspaper published in the City of Bay St. Louis, Mississippi, on the 7th, 14th, 21st and 28th days of November, 1947, and any petition of protest must be filed within ten (10) days after the last publication of such notice, on the 28th day of November, 1947.

Witness the signatures and seal of the City of Bay St. Louis, Mississippi by and through its duly authorized Mayor and Clerk.

This the 3rd day of November, 1947.
